ABOUT ME

I'm a senior Computer Science student at Van Hien University with a passion for game programming. I have strong skills in C# and have participated in multiple game projects. Among them, I have won five awards, including a Gold Prize, a Second Prize, and an Encouragement Prize in game programming, an Encouragement Prize in algorithms, and a Blockchain Incubation Award. I am always striving to learn and develop myself.

EDUCATION

Van Hien University

2021 - 2025

Computer Science

- Specialization in Software Engineering.
 - GPA: 3.27 / 4.0
-

EXPERIENCED
